

Dear Wine Country Theatre Supporter,

Wine Country Theatre is a non-profit organization committed to creating an artistic home base for local theater artists and providing a creative outlet, via experiences within the theater, for adults and children of all ages. As a community theater, actors and staff members do not get paid. We rely on ticket sales and donations to help us rent a venue, build sets, fabricate props and costumes, add lights and sound and promote interest in—and ultimately an audience for—each production.

We invite you to be a “donor” to Wine Country Theatre by becoming an event sponsor. As a sponsor of a Wine Country Theatre production, you will become part of our success and you will also receive a number of benefits based on your donation.

We also invite you to please consider attending one of our productions. Tables are available and it’s a great way to enjoy an evening of theater with friends and neighbors. Wine and hors d’oeuvres will also be available. As we see it, wine and theater are the perfect pairing and a great way to also benefit the North County Arts.

Thank you in advance for your support of Wine Country Theatre and the North County Arts.

Sincerely,

CYNTHIA ANTHONY
